Global Issues

ACTIVITIES FOR THE DAY

▮ Trends and Disruptors

- » How is transportation in Florida changing?

▮ Regional Perspectives

- » How can our transportation vision support Florida's diverse regions and meet the needs and wants of our residents, visitors, and businesses?

▮ Cross Cutting Topics

- » What's most important to you?

SHARING OUR IDEAS

- ▮ Works best from app/website – no registration required
- ▮ Use www.pollev.com/VZLRV or the Poll Everywhere app to access the polling questions
- ▮ Respond to each question using your mobile device or laptop

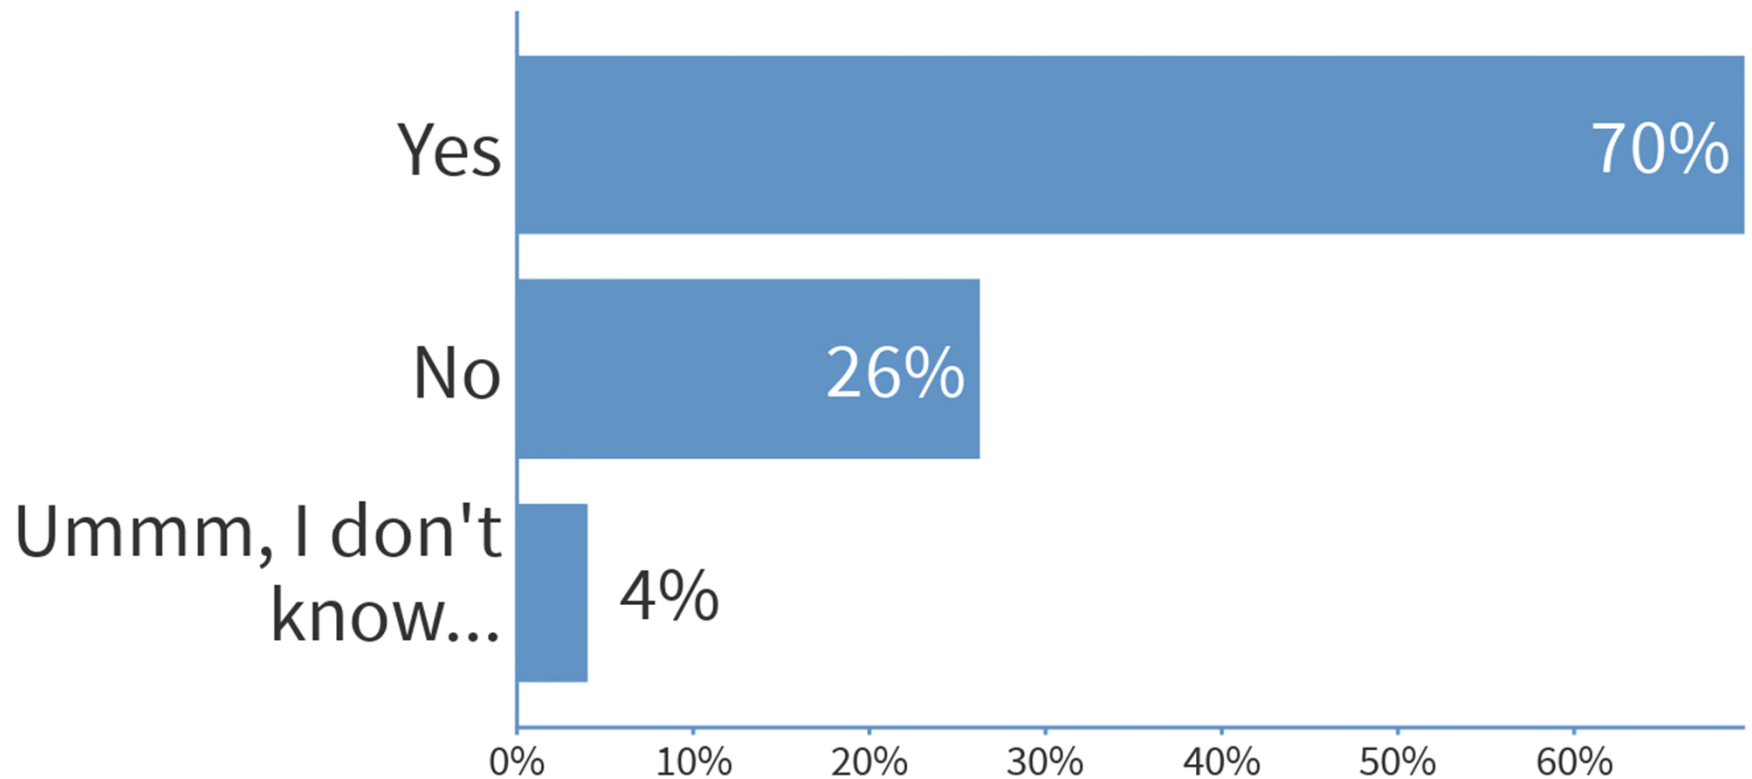

▮ CONNECT TO THE WI-FI

- » Network name: Omni Meeting
- » Password: FDOT2019 (case sensitive)

Test Question: Have you ever ridden in an automated vehicle?

📱 When poll is active, respond at **PollEv.com/vzlr** 📱 Text **VZLRV** to **22333** once to join

Trends and Disruptors

TABLE DISCUSSIONS

► Identify 6-8 most important trends and disruptors. Using the risk register, note your group's top items and score each one.

- How do these top trends and disruptors affect our vision for Florida's transportation future (including the FTP goals)?
- As a group, submit your highest ranking trend and disruptor to the poll and be prepared to discuss how this may change the FTP goals.

TABLE DISCUSSIONS

- ▶ Identify 6-8 important trends and disruptors. Using the risk register, note your group's top items and score each one.

▶ How do these trends and disruptors affect our vision for Florida's transportation future (including the FTP goals)?

- ▶ As a group, submit your highest ranking trend and disruptor to the poll and be prepared to discuss how this may change the FTP goals.

Break

Regional Perspectives

TABLE DISCUSSIONS

▶▶ The FTP is a plan for all of Florida, yet different regions may have different needs. Discuss the regions in Florida and mark them on the table map.

- ▶▶ What are the needs and demands for different regions?
- ▶▶ How do these regional needs and demands alter our vision for Florida's transportation future (including the FTP goals)?

How do your table's regional needs and demands alter our vision for Florida's transportation future (including the FTP goals)?

When poll is active, respond at **PollEv.com/vzlr** Text **VZLRV** to **22333** once to join

“15 - to maximize equitable access to first amendment right (petition government for redress of grievance), relocate state capital to Orlando area.”

“Table 9- change the planning methods to meet contextual needs versus a regional planning/approach.”

“Table 20 - Solutions need to be flexible and tailored to meet the needs of different regions with unique needs”

“Table 2 - Critical to plan for the unique dimensions/characteristics of each region”

“Table #15 connected regions of prosperity”

“Table 17 - need sets of strategies for 1) people and 2) habitat”

“Table 5 need to keep goals same focus on implementation”

“Table 14 Needs vary by regions, use lessons learned from more populated areas to less such as planning early for intermodal connectivity”

“Table 6 - not really alter. More like fulfilling the current vision”

Cross Cutting Topics

Kevin Thibault, FDOT Secretary

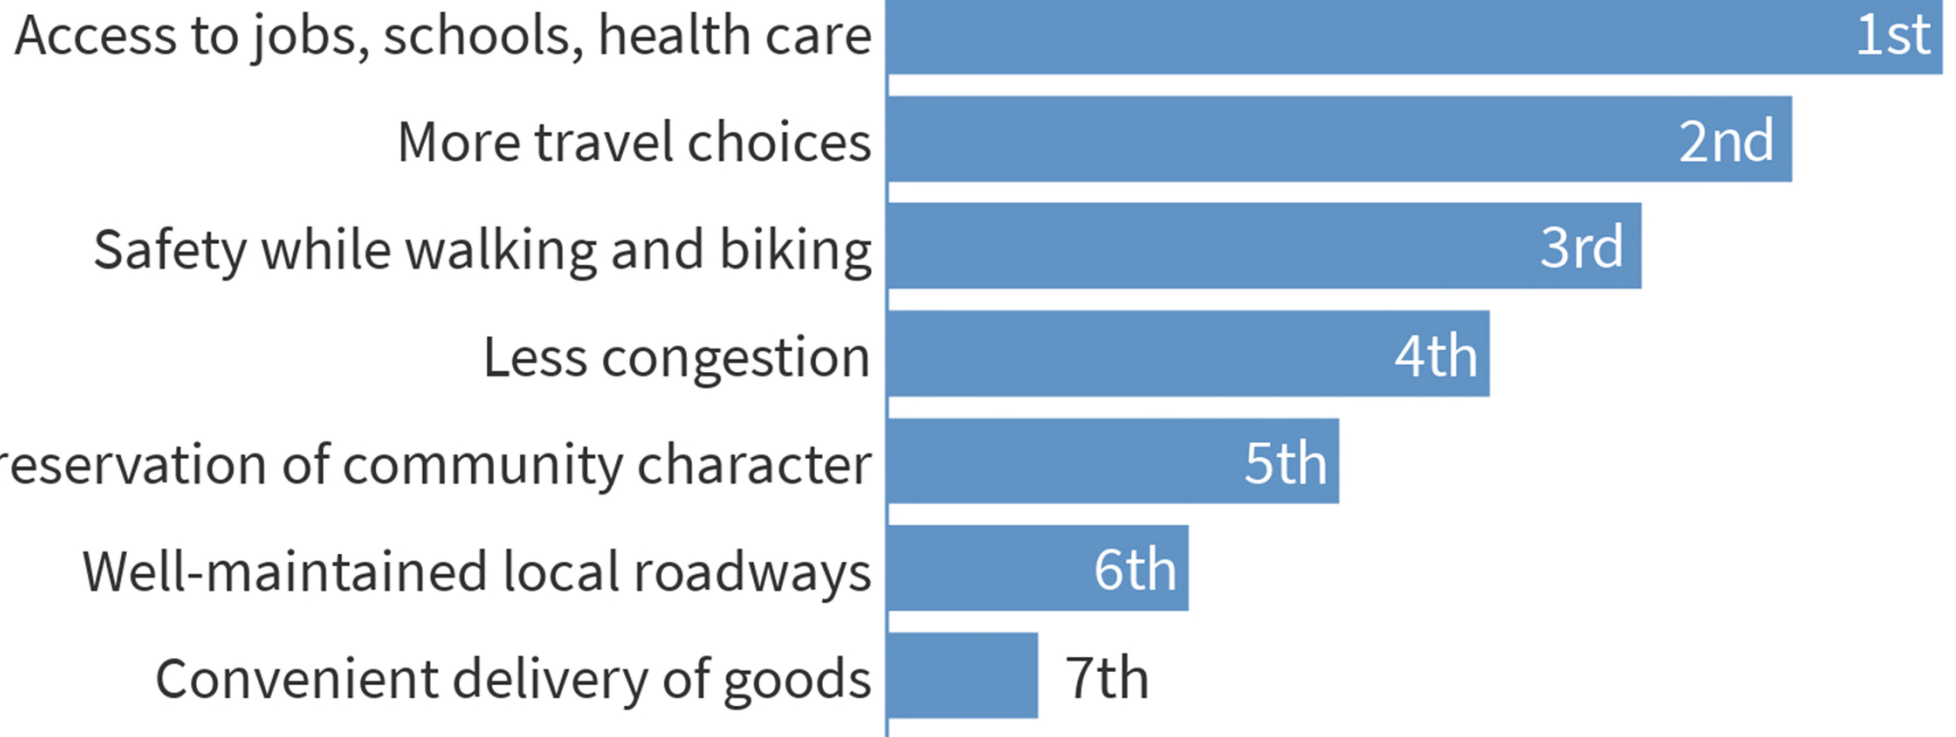

**Tony Carvajal, Florida Chamber Foundation
Executive Vice President**

REGIONAL/LOCAL - Please rank the following in order of importance:

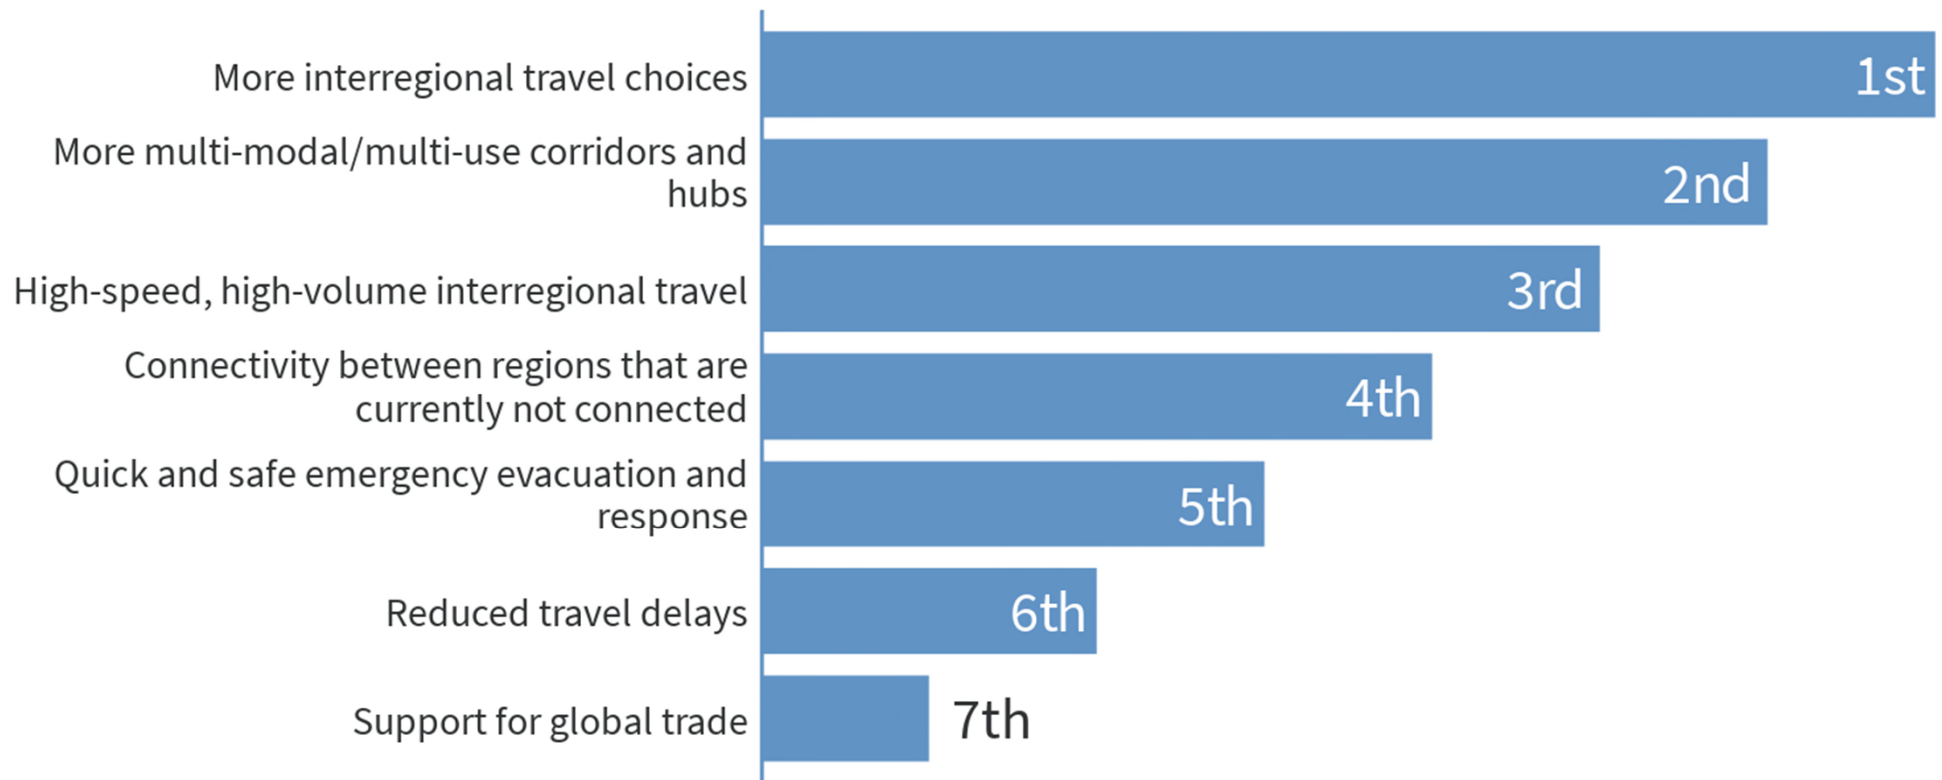

When poll is active, respond at **PollEv.com/vzlr**

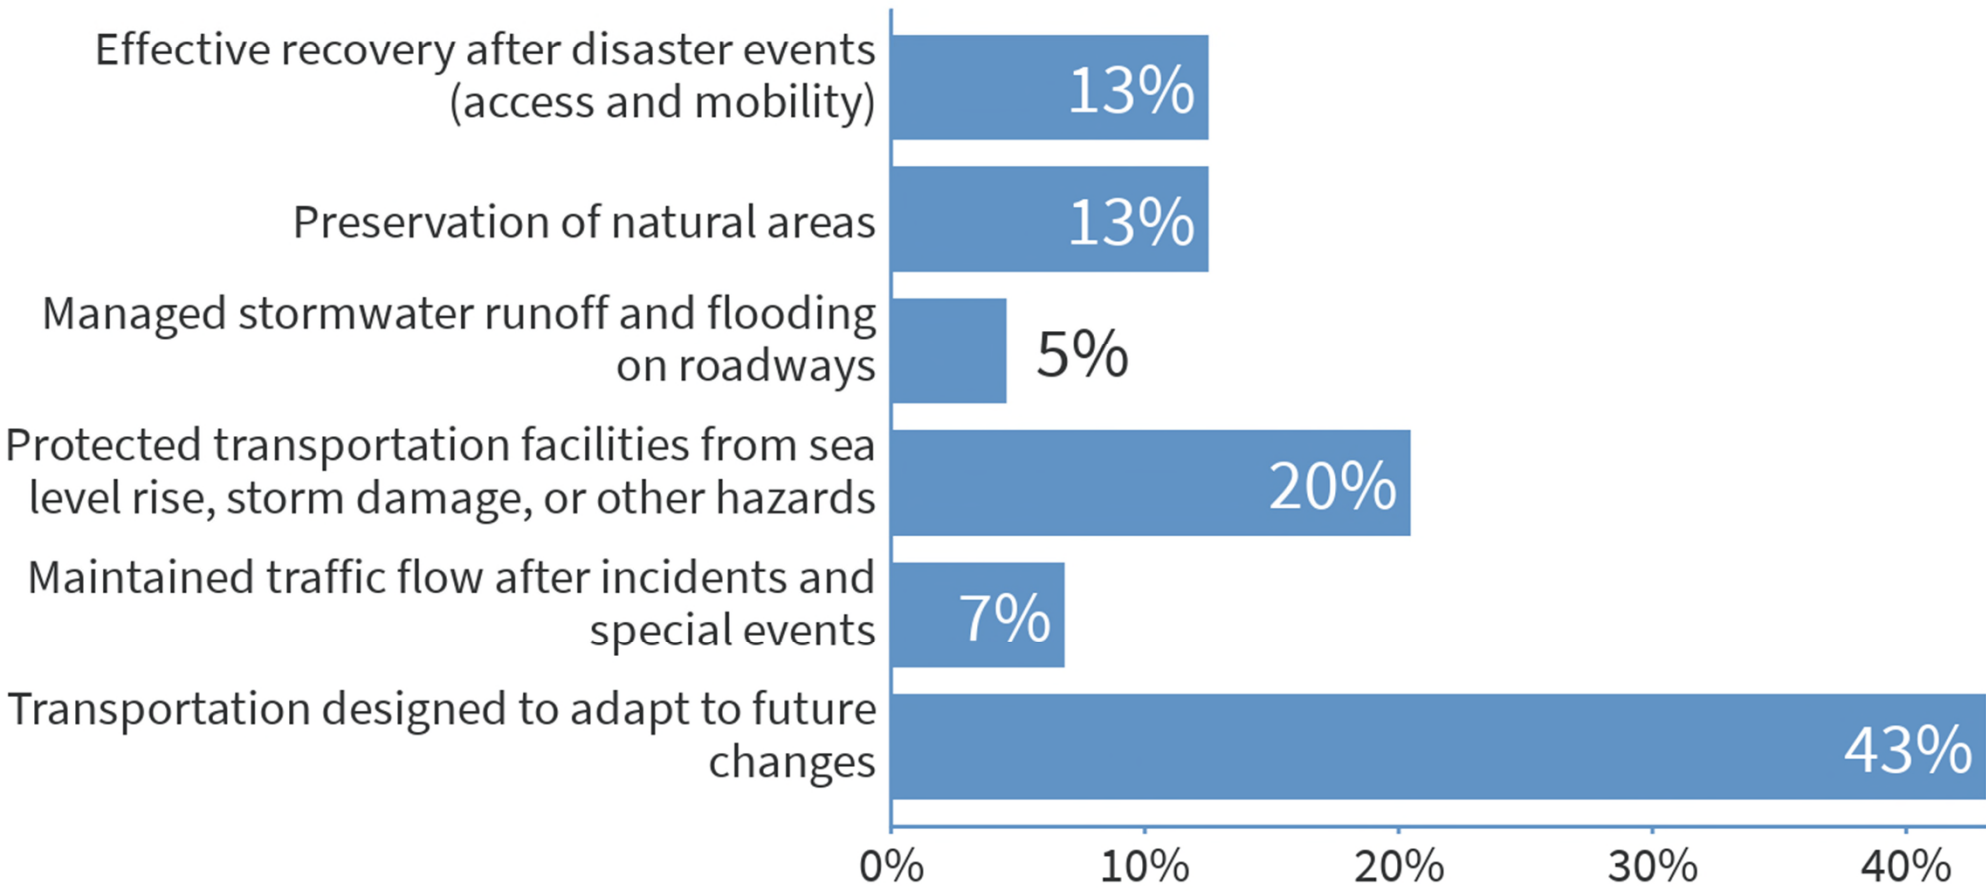

STATE/INTERREGIONAL - Please rank the following in order of importance:

 When poll is active, respond at **PollEv.com/vzlr**

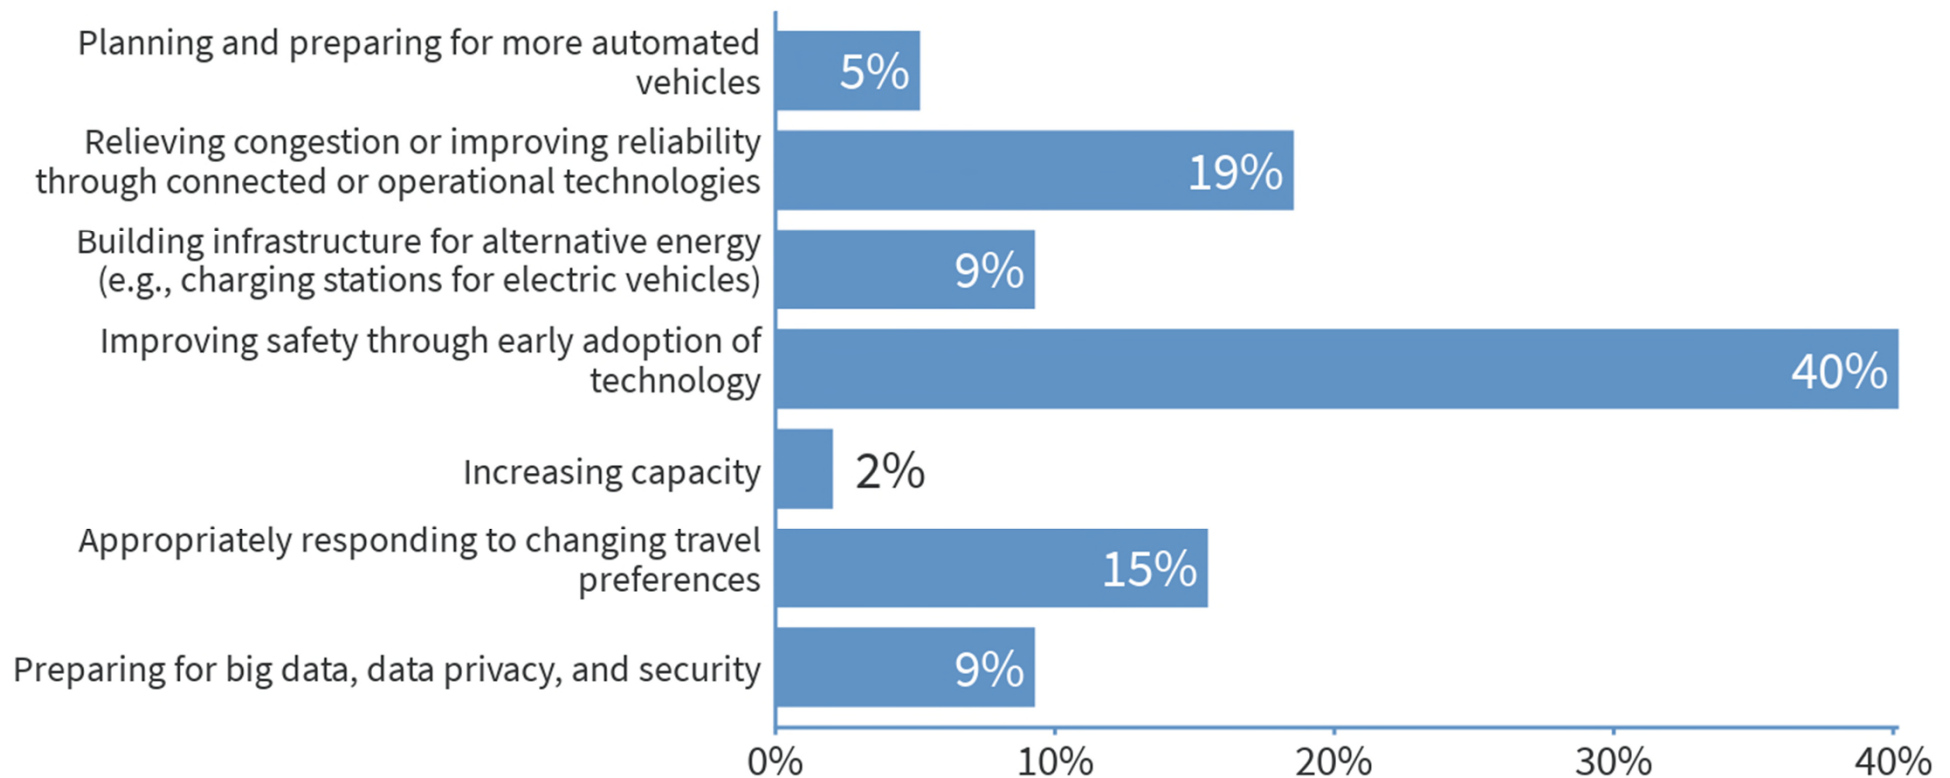

RESILIENCE - Please choose which is most important to you:

 When poll is active, respond at **PollEv.com/vzlr**  Text **VZLRV** to **22333** once to join

TECHNOLOGY - Please choose which is most important to you:
