### Responsibilities

- Advocate for the implementation of the goal through ongoing activities of key partners.
- Help identify and assess actions, policies, strategies, plans, or strategies by partners and stakeholders that support the goal.
- Help identify opportunities for outreach, synergy, or partnerships that support the goal.
- Periodically meet with or call the internal champion to provide guidance, information, status, or ideas.
- Up to twice a year, provide updates on implementation of the goal, including presenting to the FTP Implementation Committee and reviewing tracking sheets and performance reports prepared by internal champions and staff.
