

Goal: Safety and Security for Residents, Visitors, and Businesses

FTP Implementation Committee Champion: Bruce Grant, Florida Defense Alliance

FDOT Champion: Carmen Monroy, Office of Policy Planning

Objectives

1. Prevent transportation related fatalities and injuries
2. Reduce the number of crashes on the transportation system
3. Reduce and mitigate transportation-related security risks
4. Provide transportation infrastructure and services to help prepare for, respond to, and recover from emergencies

Implementation Actions	Objectives Supported	Other Goals Supported	Measures of Success	Key Partners	Status
<p>Update and implement Florida’s Strategic Highway Safety Plan (SHSP).</p> <p>Work toward a vision of a fatality free roadway system through a multi-disciplinary approach that addresses engineering, education, enforcement, and emergency response.</p>	1, 2		<p>Performance measures</p> <ul style="list-style-type: none"> • Number of fatalities and serious injuries • Number of crashes <p>Progress indicators</p> <ul style="list-style-type: none"> • Implementation of coalition plans • Creation of additional coalition/emphasis area plans • Analysis of effectiveness of 4E strategies 	<p>Florida DOT (lead)</p> <p>Florida Association of County Engineers and Road Superintendents</p> <p>Florida Department of Highway Safety and Motor Vehicles</p> <p>Florida Highway Patrol</p> <p>Florida Police Chiefs Association</p> <p>Florida Sheriffs Association</p> <p>Metropolitan Planning Organization Advisory Council</p> <p>Federal Highway Administration</p> <p>Federal Motor Carrier Safety Administration</p> <p>National Highway Traffic Safety Administration</p>	<p>2016 SHSP completed October 2016. Focuses on 13 emphasis areas through existing or new coalitions: lane departures, impaired driving, pedestrians and bicyclists, intersections, occupant protection, motorcyclists, aging road users, commercial motor vehicles, speed and aggressive driving, teen drivers, distracted driving, work zones, and traffic record and information systems. Continue to emphasize data improvements, collaboration, and use of emerging technologies in implementation activities.</p>
